Exquisite townhouse at the heart of Chatswood, rarely offered in the market it's only short walk to Chatswood train station, with Westfield Shopping Centre as back drop, there is no better location. Beautiful three level building with private courtyard and balconies on all levels. Nested on a quiet cul-de-sac on O'Brien street, this rare townhouse property is not seen in the Chatswood market for a long time.

Highly sought-after location. Modern kitchen, 1.5-bathroom, timber flooring and reverse cycle air-conditioning, it ticks all the features and prerequisites not just location.
