Untapped Potential and an Opportunity in Sought After Location

This home is a treasure trove of untapped potential ready for its next chapter.

Enjoying a high side setting in an ideal family location, this beloved 1960s full brick haven is offered for the first time by the original family. A great entry into Chatswood West, resting on 588sqm of land basking in abundant natural light from the north aspect.

The interior layout shows high ceilings and expansive windows, with a spacious open plan living and dining, and a sunny family room. Large bedrooms include a king-size master with garden outlook. The eat-in gas kitchen and vintage bathroom are ready for renewal, where you can personalise with your own style. Enjoy the deep-set verandah with leafy view and build your wine collection in the cellar.

Stroll to buses for Chatswood, Macquarie, and Lindfield Learning Village.
