Experience Serene Living Surrounded by Nature

A tranquil lifestyle awaits you in this welcoming indoor/outdoor home graced with tree canopy vistas that stretch out to Lane Cove National Park.

Kitchen dining and living areas flow effortlessly to a 28 sqm covered alfresco deck that is perfect for entertaining in all seasons. The alfresco deck steps down to an entertaining area offering an extension to the deck, and spillover space for hosting guests.

The mid-century design highlights large glass windows that bring in natural light and verdant vistas, and the use of exposed beams designs blend with the forest setting. Large picture windows, floor to ceiling sliding wooden doors, and an expansive bay window in the kitchen blend the interior and outdoor spaces.

- The landscaped garden is a lush blend of ferns, cycads and vibrant exotic plants that create a peaceful, inviting atmosphere.
- The master suite opens to an 18 sqm private courtyard framed with greenery.
- Spacious living area for indoor/outdoor gathering and relaxation.
- Four bedrooms, master suite with compact walk-in wardrobe and courtyard
- Situated away from the living areas, the fourth bedroom, with corner glass windows, creates a spacious and bright interior that is perfect for use as a study
- Functional, updated kitchen, bosch dishwasher. Bay window captures light and verdant vistas.
- Two split system air conditioners
